

# AASIF REHMAN

Full-Stack Developer | WordPress Developer

**Address:** Srinagar, Jammu & Kashmir, India  
**Phone:** +91 60052 98285  
**Email:** aasifrehman012@gmail.com  
**Nationality:** Indian  
**Date of birth:** November 2002  
**Website:** [asifrehmanedu.info](http://asifrehmanedu.info)  
**LinkedIn:** [linkedin.com/aasifrehman-5979b5185](https://linkedin.com/aasifrehman-5979b5185)  
**GitHub:** [github.com/Asif-rehman012](https://github.com/Asif-rehman012)

## PROFESSIONAL PROFILE

Full-Stack Developer with hands-on experience in WordPress, React, Node.js and PHP, specialized in building and shipping production web applications end-to-end. Eager to bring my experience in full-stack web development and WordPress/CMS customization to a growing engineering team in Germany, and contribute to delivering fast, reliable, well-crafted web products. Open to opportunities in Web Development, WordPress Development, or any other Tech/IT/Computer-related roles.

**Primary stack:** WordPress, React.js, Node.js/Express.js, JavaScript, Java

## WORK HISTORY

- |                   |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |

**Matriculation (89%)** — Govt. Boys High School, Jammu and Kashmir, India — JKBOSE

## PROJECTS

---

### Projects:

#### **Smart Price Comparison App — React (Vite), Node.js, Express.js**

- Full-stack price-comparison web app with real-time search and a modern dark-mode UI.
- Github: [github.com/Asif-rehman012/Price\\_Comparison\\_App](https://github.com/Asif-rehman012/Price_Comparison_App)

#### **ExamKnock.com — WordPress, PHP, Astra Child Theme**

- Built and manage a WordPress-based educational platform; customized Astra Child Theme with PHP, ACF, CPT UI, and Custom Taxonomies.
- Website: [examknock.com](https://examknock.com)

#### **Algorithm Decision Engine — Java, DSA**

- Java-based engine that recommends optimal algorithms based on constraints and input size.
- Github: [github.com/Asif-rehman012/Algorithm\\_decision\\_engine](https://github.com/Asif-rehman012/Algorithm_decision_engine)

#### **Resume Builder — JavaScript, HTML/CSS**

- Web app to generate and export a CV to PDF with selectable templates, photo upload, and editing.
- Github: [github.com/Asif-rehman012/Resume-Builder-App](https://github.com/Asif-rehman012/Resume-Builder-App)

## TECHNICAL SKILLS

---

|                     |                                                                              |
|---------------------|------------------------------------------------------------------------------|
| <b>Programming:</b> | Java, JavaScript                                                             |
| <b>Frontend:</b>    | React.js, HTML, CSS, Bootstrap                                               |
| <b>Backend:</b>     | Node.js, Express.js                                                          |
| <b>CMS / Web:</b>   | WordPress, Elementor, WooCommerce, ACF, CPT, Custom Taxonomies               |
| <b>Tools:</b>       | VS Code, Eclipse, Android Studio, Git, GitHub, Figma, Canva, Adobe Photoshop |

## CERTIFICATIONS & ACHIEVEMENTS

---

|                        |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Certifications:</b> | <ul style="list-style-type: none"><li>• 300+ DSA problems solved (HackerRank, GeeksforGeeks, LeetCode) — Institute Rank #42 on GeeksforGeeks.</li><li>• Winner, Fresher's League Contest – LPU (2019).</li><li>• GeeksforGeeks Campus Ambassador (2022–23) — <a href="#">View Certificate</a></li><li>• Responsive Web Design – freeCodeCamp (2024) — <a href="#">View Certificate</a></li><li>• Technical Support Fundamentals – Google (2025) — <a href="https://shorturl.at/KjNPN">shorturl.at/KjNPN</a></li></ul> |
